Live Seminar

ZOOM Series: Taking Advantage of Volatility in the Banking Environment

Login/Registration:

9:15 AM

Zoom Session:

9:30 – 11:30 AM, CST

Session 1

May 06: Banking Environment Update and Attracting, Retaining, & Adapting Talent During Volatile Times

During this session, we will discuss hot topics in the current banking environment including:

- Banking outlook update
- Loan modifications and impairment analysis
- Year-end audit and internal control considerations

We will dive into the all-important discussion of attracting and retaining A+ talent by discussing topics including:

- Effectively and proactively communicating with your team
- The importance of defining and communicating the Bank's culture to your team
- Effectively managing your talent during and after COVID-19 while battling new struggles like pandemic fatigue

Session 2

May 13: Regulatory Perspectives & Expanding Your Customer Base in a Changing Banking Environment

During this session, we will discuss regulatory hot topics in the current banking environment including:

- Banking regulatory update
- Auditor and Examiner expectations for 2021
- Legislative perspectives

We will explore ways to support and expand the Bank's existing customer base by discussing topics including:

- Creating a strategy for connecting to Bank prospects
- Proactively communicating with Bank prospects and customers
- Effectively communicating in a virtual environment

Session 3

May 20: Risk Management, Cyber Risk and Embracing Change

During this session, we will discuss risk management hot topics in the current banking environment including:

- Board perspectives and managing a risk program
- Aligning risk appetite to a changing environment
- Effective monitoring of the risk management program
- Cyber risk and vendor management hot topics and risks for 2021

We will explore ways to take advantage of uncertainty and embrace change in the current banking environment including:

- Proactively preparing your team to embrace and adapt to a changing banking landscape
- Strategies to mitigate threats during inevitable change
- Seizing opportunities during uncertainty
- Analyzing risks and rewards during volatile times
